

# Pro-Power II Red

MEGA DISTRIBUTORS

Synthetic Super Safety Solvent

## Combines heavy duty parts washing power with safe and nonflammable ingredients

- Heavy duty solvent action without harsh ingredients found in other solvents
- Controlled evaporation
- Non-flammable formula
- No dangerous or offensive fumes

## Description

### Areas of Application

Recommended as a solvent for washing and degreasing:

- Equipment parts
- General overall cleaning and degreasing
- Electrical equipment

## Features and Benefits

May be combined with waste oil\* to help reduce your disposal costs. \*Unless hazardous waste constituents are introduced.

High dielectric strength of 30,000 volts helps to reduce equipment downtime.

Non-flammable had has a high flash point up to 98°C

Formulated with SNT-90 which helps reduce solvent evaporation to allow more contact time for cleaning.

Approved by the Commonwealth Department of Primary Industries (AQIS) #3294 as a Miscellaneous Compound.

**WARNING:** Consult the label for full instructions and precautions before using this product.

Technical Specifications	
Temperature Range	Up to 98°C
Dielectric Strength	30,000 Volts
Odour	Light - no dangerous fumes
Does not contain	Hazardous waste constituents
