

# Super Chemzyme 5

MEGA DISTRIBUTORS

Liquid Biological Drain Opener

**Cuts through organic waste without harsh acids or caustics**

- Restores and maintains flow
- Eliminates odour sources
- Safer than caustics or acids
- Ready to use

## Description

### Areas of Application

- Floor drains
- Grease traps
- Food waste disposer drains
- Kitchen drains
- Serving line drains
- Septic tanks
- Sludge systems

### Industries of Application

- Restaurants
- Cafeterias
- Hospitals
- Apartment buildings
- Schools
- Food processing plants
- Office buildings
- Industrial plants

Technical Specifications	
Clarity	Opaque
Colour	Tan
Odour	None
Flash Point	> 93° C
pH @ 100%	9.0
Specific Gravity gr/cm3	1.04
Solubility in Water	Bacterial Count 84 bn
Viscosity	Semi-viscous

## Features and Benefits

**Restores and maintains proper drain flow and reduces pump-out and clean-out operations.**

Saves costly labour and facility downtime for grease traps, drains, septic tanks and sludge systems.

**Eliminates odour-causing waste buildup.**

Attacks the cause of odours instead of just masking them

**Contains four types of waste-digesting organisms.**

Breaks down starch, oil, grease, cellulose and protein; eliminates all kinds of organic waste.

**Coats drain walls with a thick bacterial film.**

Guards against new accumulations of organic waste with a strong residual effectiveness; allows for a longer time between maintenance calls.

**One of the strongest liquid biological drain treatments on the market.**

More economical to use, with more effective performance than weaker products.

**WARNING: Consult the label for full instructions and precautions before using this product.**
