

# Certop 85W-140 Gear Oil

MEGA DISTRIBUTORS

## CASE STUDY

Type of Business	Lighting Manufacturer
City	Puchong, Selangor D.E.
Country	MALAYSIA
Marketing Manager	Simon Ong
Sales Rep	K.C Leong

### PROBLEM

#### High costs of premium quality gear oil for spray booth

Previously, the customer was using a Omega gear oil. Due to its cost, the company started to search for an alternative with equivalent quality, but more cost effective. They've since switched to LubeMaster's **Certop 85W-140**.

**Certop 85W-140** is a multigrade industrial gear oil. It is made of premium grade base oil and it has superior additives like demulsifiers, seal conditioners, EP and anti-foam agents, oxidation and leak inhibitors.

The customer finds that **Certop** performs just as well as other premium lubricants. In total, the customer has **saved up to 30%** compared to the previous brand of gear oil.

"I'm happy and satisfied with the performance of Certop – the quality is equivalent to the previous brand we used" - Maintenance Executive
